Chicago, IL 60637

Dear Friends of Comer Children's:

The most exciting golf event of the season is here! The 30th Annual Comer Children's Golf Classic to be held on Monday, August 15th, at the beautiful Harborside International Golf Course.

Comer Children's has been an integral part of Chicago's landscape, caring for children on the south side of Chicago and its surrounding communities. The Comer Children's Golf Classic supports families like yours by providing educational, developmental, and therapeutic services to young people of all ages. Our program provides caring, individualized attention to infants, children and teenagers who are hospitalized or visiting the hospital for outpatient surgeries or procedures. Specially designed and nationally recognized child life activities offer a welcome distraction and help young people manage pain, anxiety or stress they experience and help children and teens express themselves in a safe and supportive manner.

The Comer Children's Golf Classic includes 18 holes of spectacular golf on a championship style links course, silent auction, raffles prizes, golfer prizes, buffet lunch, cocktails, and dinner.

To register as a sponsor or player, or to donate, please complete the enclosed form and return it to us by no later than August 5th. Your prompt response helps ensure this year's event will be successful and fun for all involved.

If you have any questions or need additional information, please contact Anne-Marie Prince-Kieffer at (773) 834-1483 or email amprince@peds.bsd.uchicago.edu. We hope to see you on August 15th.

Sincerely,

John M. Cunningham, M.D.
